

Parental leave is two things. Most people only know about one.

Understanding how job protection and paid leave work — and how they interact — is the key to planning a leave that actually works for you.

Build my leave plan →

Takes about 5–10 minutes. No login required.

Everything you need to plan your leave — in one place

AI assistant that knows your plan

Ask any question about your specific leave — how FMLA interacts with CFRA, when to file your SDI claim, what your rights are. Get instant, verified answers with cited sources.

Your full timeline in 5 minutes

Get a personalized week-by-week Gantt chart showing exactly which programs cover you each week — SDI, PFL, FMLA, CFRA, employer leave, and SF PPLO — all stacked correctly.

Forecasted income during leave

See exactly how much money you'll receive each week — broken down by source. Know your shortfall in advance so you can plan, save, and negotiate with confidence.
